

# Proxy Vote Summary

## Global X MSCI Emerging Markets Index ETF (EMMX and EMMX.U)

The Global X MSCI Emerging Markets Index ETF seeks to replicate, to the extent reasonably possible and net of expenses, the performance of an index that is designed to measure the performance of the large and mid-cap securities across emerging markets countries (currently, the MSCI Emerging Markets Index). Since its inception (i.e., May 14, 2024) to June 30, 2024, there were no proxy voting records to present.

Commissions, management fees and expenses all may be associated with an investment in exchange traded products managed by Horizons ETFs Management (Canada) Inc. (the "Horizons Exchange Traded Products"). The Horizons Exchange Traded Products are not guaranteed, their value changes frequently and past performance may not be repeated. Certain Horizons Exchange Traded Products may have exposure to leveraged investment techniques that magnify gains and losses and which may result in greater volatility in value and could be subject to aggressive investment risk and price volatility risk. Such risks are described in the prospectus. The prospectus contains important detailed information about the ETF.
