

## Proxy Vote Summary

### Global X Conservative Asset Allocation ETF (formerly, Horizons Conservative Asset Allocation ETF) (HCON)

The Global X Conservative Asset Allocation ETF primarily, if not all, held units of one or more exchange traded funds (“the underlying ETF funds”) for the period from July 1, 2023 to June 30, 2024. Unlike companies, exchange traded funds do not have annual shareholder meetings, but they may hold unitholder meetings from time to time, at which unitholders of the underlying ETF funds are entitled to exercise voting rights. In the event that any of the underlying ETF funds issues a proxy form, Global X Investments Canada Inc. will exercise those voting rights in the best interests of Global X Conservative Asset Allocation ETF in accordance with applicable law. Furthermore, the manner in which the voting rights were exercised will be published on this page.

For the period from July 1, 2023 to June 30, 2024, there were no proxy voting records to present.

Commissions, management fees and expenses all may be associated with an investment in exchange traded products managed by Horizons ETFs Management (Canada) Inc. (the “Horizons Exchange Traded Products”). The Horizons Exchange Traded Products are not guaranteed, their value changes frequently and past performance may not be repeated. Certain Horizons Exchange Traded Products may have exposure to leveraged investment techniques that magnify gains and losses and which may result in greater volatility in value and could be subject to aggressive investment risk and price volatility risk. Such risks are described in the prospectus. The prospectus contains important detailed information about the ETF.
