

Proxy Vote Summary

Global X Active Ultra-Short Term Investment Grade Bond ETF (formerly, Horizons Active Ultra-Short Term Investment Grade Bond ETF) (HFR)

The Global X Active Ultra-Short Term Investment Grade Bond ETF primarily, if not all, held Canadian debt and debt-like securities directly and in debt of U.S. companies for the period from July 1, 2023 to June 30, 2024. Unlike common share equities, debt instruments generally do not require securityholders to vote. In the event that any of the debt instruments held by Global X Active Ultra-Short Term Investment Grade Bond ETF issues a proxy form, Global X Investments Canada Inc. will exercise those voting rights in the best interests of Global X Active Ultra-Short Term Investment Grade Bond ETF in accordance with applicable law. Furthermore, the manner in which these voting rights were exercised will be published on this page.

For the period from July 1, 2023 to June 30, 2024, there were no proxy voting records to present.

Commissions, management fees and expenses all may be associated with an investment in exchange traded products managed by Horizons ETFs Management (Canada) Inc. (the "Horizons Exchange Traded Products"). The Horizons Exchange Traded Products are not guaranteed, their value changes frequently and past performance may not be repeated. Certain Horizons Exchange Traded Products may have exposure to leveraged investment techniques that magnify gains and losses and which may result in greater volatility in value and could be subject to aggressive investment risk and price volatility risk. Such risks are described in the prospectus. The prospectus contains important detailed information about the ETF.
